### TWO TEAMS APPEAR FOR CRICKET PRACTICE

Makiki Field was the scene of the first cricket practice in preparation for the game to be played on Coronation Day, June 22, and the two teams on the ground put up good work.

The two teams were led by the Captain and vice-captain of Honolulu Cricket Club, and from now on there will be constant practice in preparation for the big game coming this month.

The full scores were as follows:

A. Podmore, bowled Winkley, 9  
Byes, 5

Total, 52

Vice-Captain's Team.

In their second innings the captain's bunch made 29 for one wicket and the vice-captain's outfit hit up 45 runs.

Rath took one wicket for ten runs; R. Anderson two for ten, and Carter three for two. McGill took five wickets for ten; Maxwell none for five and Winkley two for twelve. These figures all refer to the first inning of each team.

POLO PLAY ON MOANALUA FIELD

There were three good polo matches at Moanalua field Saturday afternoon, the one-horse men and the two-horse men all getting a go on each of their ponies.

The first match was between the Reds and Whites and the second between the Yellows and Blues, and then there was a third match between two other teams, called also the Yellows and Blues, but made up differently from the Yellows and Blues who played in the second match.

As there were eight men present who had two horses each and eight who had but one, the play and teams were so arranged that each could work his horse one period.

Bob Shingle, Olie Shipman, Walter Dillingham and George Denison were all in great form and did good work. The ponies are getting in better shape each day and the green ones are taking to the game like the veterans now.

Different teams were made up from the following players: R. W. Shingle, R. Atkinson, O. Shipman, A. Jones, G. Denison, G. Porter, Lieutenant Rogers, Lieutenant Andrews, Sam Baldwin, H. Damon, B. Sumner, U. Lemon, W. Dillingham, W. Rycroft, R. McCorriston, C. Lucas.

## FIELD SPORTS ON AT SCHOFIELD

June 28 is the date of the big field day at Schofield Barracks at which time representatives from the three branches of the service stationed there will take part in the events.

There will be purely military sports using the horses and equipment of the army and some of the mounted wrestling and other stunts of the kind are well worth watching.

Then there will be field and track events, besides the wall scaling of the infantry, mounted wrestling of the cavalry and gun drill of the artillery.

There are to be six purely military events and the remainder will be of the track and field.

Much interest centers in the ball game scheduled between the cavalry and infantry teams in the afternoon.

## What About That Dandruff?

There is just this much about it: Dandruff is a germ disease, is most untidy, annoying, and leads to baldness. When chronic, it is very stubborn, but surely yields to thorough and energetic treatment. All germs must be destroyed, the scalp must be restored to health. Here is the remedy: Ayer's Hair Vigor. Ask your doctor about using it.
